

Dear Madam, Dear Sir:

I am pleased to share news with you regarding the 2026 SelectUSA Investment Summit to be held May 3-6, 2026, in the Washington, DC area.

Ambassador Charlie Kushner will personally lead a delegation to attend the Investment Summit, and I hope you will consider joining us.

The SelectUSA Investment Summit is for companies of all sizes, including established multinationals, small or medium-sized enterprises, and high-growth start-ups. The United States is incredibly diverse, and the Investment Summit brings that diversity together in one place: allowing companies to find the people, the resources, and the market they need to be successful.

The Investment Summit features a platform to spotlight investment opportunities from every corner of the United States. I invite you to consider sharing any new investment, partnership, and/or workforce announcements while there - taking advantage of the highly engaged international audience of business and government leaders, media, and thousands of attendees.

SelectUSA has a proven track record for business success - the highly successful 2025 SelectUSA Investment Summit hosted by the U.S. Secretary of Commerce was incredibly productive for participants. More than 5,500 attendees from over 100 international countries gathered to meet with representatives from 54 U.S. states and territories and heard from top executives and senior federal and state officials in plenary and breakout sessions. The 2026 SelectUSA Investment Summit seeks to build on this rewarding experience.

SelectUSA Program Director (marine.francois@trade.gov) at the Embassy will be pleased to answer any questions you might have and discuss the free services offered by SelectUSA, the U.S. investment promotion program that assists international companies seeking to establish or expand operations in the United States. More information about the Investment Summit, including registration details, can be obtained at: <https://www.selectusasummit.us>.

I very much look forward to welcoming you as a member of the France delegation to the 2026 SelectUSA Investment Summit.

Sincerely,

Charles R. Ranado
